NOTICE OF PUBLIC HEARING

Hardin County Commissioners Court, in collaboration with the Hardin County Drainage Advisory Committee, will conduct a Public Hearing to discuss potential future drainage projects utilizing Hazard Mitigation Grant Program (HMGP) funding on July 25, 2018, at 6:00PM at the Lumberton Performing Arts Center, located at 103 South LHS Drive, Lumberton, Texas.

The Drainage Advisory Committee has been meeting regularly since its inception on April 10, 2018, to identify drainage issues throughout the County and discuss viable solutions. They would like to meet with the Public and Officials to further their discussion and obtain input concerning future drainage projects being considered.

This is the Committee's second Public Hearing. They plan to schedule additional similar meetings throughout the county in the future.

Information regarding drainage issues, including photos with specific address and/or GPS location, should be submitted to the following email: Drainage@Co.Hardin.TX.US
