Commercial Sour Lake Business Owner

The City of Sour Lake Council has exercised its right to Local Government Code, to designate one (1) Collector to serve the City and their Customers. Acadiana Waste Services – TX and the City of Sour Lake have entered into an Agreement effective October 19, 2019 for the purpose of trash removal and collection for the City. **This includes Commercial, Roll Off and Residential.**

The City of Sour Lake is hereby notifying each Waste Haulers that it is a violation of the City's Franchise to place, cause to be placed, or allow the placement of trash containers for the purpose of collection, transportation or removal of trash, debris, refuse, waste or any combination of material within the Sour Lake City limits.

We have several different Waste Haulers dumpsters or containers that are located within the City for the purpose of trash removal. **Sharon McBee with Acadiana Waste Services – TX will contact you at the time your containers need to be removed from the City. This should be no later than October 19, 2019.**

The goal of the City of Sour Lake is to notify each Waste Hauler that failure to adhere to this notice shall result in a violation of the City Franchise Agreement. Representatives of the City of Sour Lake will be required to take enforcement actions that could include fines and penalties placed against each Waste Hauler.

Your cooperation is greatly appreciated and do not hesitate to contact me with any questions you may have at 409-287-3573.

Regards,

Jack Provost
City Manager
City of Sour Lake
